**Custom dried corn:** \$.15 per bushel handling fee will be charged and **must be hauled out within 5 days of delivery on a per load basis.**

**Disposition of Grain:** The driver will provide the scale operator with the owner's name or names, division of the grain, and disposition, (store, sell, contract, grain bank, price later, etc.). The driver should notify the scale operator when the last load has been delivered. If no instructions are given, the grain will be stored.

\*No storage will be assessed if sold within 5 calendar days of delivery on a per load basis.

\*Shrink will remain at stated disposition on scale ticket.

**Contracted Grain:** Grain delivered against a sales contract will be applied to the oldest contract first. Early delivery of contracted grain is not allowed without prior approval. If delivered early, storage charges may apply and payment will not be made any earlier than if grain was delivered as contracted. Once contract(s) are filled, overrun will be stored unless stated on ticket.

**Deferred Payment:** Grain may be placed on deferred payment. Elevator must be notified prior to settlement. Grain placed on deferred payment cannot be changed. No premium will be paid at this time.

**Farm to Terminal - Direct Shipment:** All grain hauled directly to the terminal or processor will be settled on a load by load basis. Seller must accept the weights and grades of the delivery location. There will be no averaging of grades and discounts are subject to change without notice.

**Treated Grain:** Any and all grain that contains treated seeds will be rejected. If the load is dumped into our inventory, owner may be subject to one or all of the following: (1) no payment for the load: (2) punitive charges for contamination of our inventory: (3) further financial liability. **No exceptions!**
