

SCGE/Heartland (HCP) Corn Swap Program Effective 9/21/2016

Direct Delivery Swap

SCGE will deliver bushels for the producer, or the producer may deliver for SCGE within 90 days of the producer's requested delivery week, at no cost of storage. If the time is greater than the 90 day period, SCGE posted storage rates WILL be applied. (.04/per month).

Delivery off OPEN STORAGE

A producer can deliver corn to any SCGE location, and put it in **OPEN STORAGE**, (SCGE posted storage rates will apply). SCGE will then transfer corn to HCP for their requested delivery week for a load-out charge (.14 cents/bu.), plus shipping to HCP.

Purchase for delivery

SCGE publishes a corn price daily to allow the producer to purchase corn for their requested delivery week. A shareholder may purchase corn anytime during normal trading hours. (8:30 am – 1:15 pm)
